

THE FISH HOUSE ENCORE

RESTAURANT, LOUNGE & SUSHI BAR

Specializing in the finest seafood available, The Fish House opened just as the Conch Republic was born.

We knew that the key to terrific seafood lies in its freshness... and we made that our trademark.

At our doorstep we find one of the most prolific areas in the world for marine life, and a host of edible fish and shellfish. Fresh-caught fish arrives daily at the dock and is brought directly to our kitchen. Our experienced staff hand picks the best fish, separating them by size, then weighing them. The fish are then carefully filleted on site, combined with only the freshest ingredients and spices and cooked to perfection. When in season, the delectable Florida lobster and stone crab are specially delivered by our fleet of trappers the day they are harvested, when they are at their tastiest peak.

In late 2003, proprietors CJ and Doug opened The Fish House Encore, their second restaurant venture. Looking to offer their guests a new dining experience. Encore became a special extension of the landmark Fish House. Still serving the same fresh seafood but adding a selection of premium meats, exciting specials, sushi menu and live music, Encore was born.

We are proud of our menu and the variety of menu items we have to offer.

So, relax, and welcome to our island. Get laid back like the locals do and enjoy our food, our music and the beautiful climate.

Make sure you try one of our signature infusion martinis and you may also want to save room for our white chocolate baby grand piano dessert!
